General work to help promote our non-profit with special missions, events & outreach opportunities throughout the year

Background on ETeamGlobal: Our non-profit serves in over 28 countries around the world. Currently our key focuses/work is in Nigeria, Ethiopia, Slovakia, Spain. We equip evangelists, pastors, leaders who go and equip others in their own countries.

Dr. Tim Robnett founded *ETeamGlobal* in 2011 as the next step in a ministry that's spanned almost 50 years. ETG's mission is to **Identify, Affirm, Train, and Mobilize** Ephesian 4 evangelists. We are building a network of evangelists who are biblically sound, fully equipped, self-supporting and reproducing, with the ultimate goal of reaching their own countries with the gospel of Jesus. By focusing on this mission with local evangelists and partnering with local churches, we are able to be more relevant to, and more effectively reach the un-saved around the world!

ETG has trained over 26,500 evangelists and pastors since 2011! Evangelists trained and mentored by ETG are leading powerful outreach efforts across Africa, Europe, and Asia. God has used ETG with impacting over 430,047 in the past 13 years so far! Praise God.
