ETeamGlobal's "What I did for the Summer" Report!

As students across the US get ready to go back to school and write those dreaded "What did you do for the Summer" reports, the team here at ETeamGlobal thought it would be fun to share our own summer report!

Young evangelists gather at Pulse HQ for training!

US Road Trip!

Tim Robnett spent part of his summer training & mentoring evangelists; meeting with east African evangelists at a retreat in W. Virg. and training young evangelists at Pulse's campus in Minneapolis, Minn.!

Off to Europe!

While Tim was training evangelists here in the US, Chris Kingston joined 3500 others in Amsterdam! Attending Amsterdam 2023 was a unique opportunity for Chris and ETeamGlobal as this event only happens every 10 years!

Chris connects w/Sasha, a 15-year-old evangelist from Ukraine!

Each day, Chris and the other evangelists from 120+ countries would gather at 'collaborative' tables to share & listen about evangelism trends, practices, and to particularly discuss how to best equip Gen Z (and younger!) evangelists. Participants also discussed strategies for proclaiming the Gospel to all the world by 2033!

Chris & fellow evangelists from around the world meet in Amsterdam!

Collaborative tables & 3500 evangelists!

Now it's time to put the summer behind us and look forward to where God is leading ETeamGlobal in the closing months of 2023! We are very excited to share with you these opportunities of ministry!

PEACE IN JOS UPDATE

Topping the list for our present opportunities of evangelistic outreach is Peace in Jos, now set for November. By mobilizing hundreds of local churches in Jos, Nigeria and calling on the 160 graduates of our Evangelist Forums to preach, the message of ***Peace through Jesus Christ*** will be brought to this strife laden state in Nigeria.

This is NOT an easy task for the local churches, New Life for All (**our ministry partner in Nigeria**) nor ETeamGlobal. But this crucial time demands a response by the churches that is united, love-based, and founded on the power of the Gospel of Jesus Christ to bring peace when ALL human efforts continue to fail. Thanks to Mike Parker's persistent and faithful leadership, we are moving ahead with extensive prayer and training as the summer months come to a close.

Mike and Tim will be speaking at New Life for All's 60th anniversary celebration during its annual

National Conference **Sept. 15-18**. With ***Peace in Jos*** as context, both Mike and Tim will speak on the presence and power of the Holy Spirit to empower, guide, and bless these efforts to take the Gospel of Jesus Christ across the whole landscape of Jos. As many as 3000 evangelists and church leaders from across Nigeria are expected to attend and Tim and Mike will lead several sessions of the conference.

Pray with us and please consider a generous financial gift so that we, along with the local churches of Jos, can prepare well and meet the needs of the people of Jos. Those needs, physical and spiritual, will be served through medical clinics as well as outreach events to touch as many people as we can with the Gospel of Jesus Christ in the power of the Holy Spirit.

Tim's New Book

The second edition of *Telling the Story*, co-written by Tim Robnett and Luis Palau, and originally released in 2006, has just been released and is now available on Amazon! The book has been refreshed with a new cover, new content and chapters from Tim and a new forward from Andrew Palau. It remains a valuable resource for evangelists and aspiring evangelists. To order a copy, go to Amazon and search for Tim Robnett!

ETEAMGLOBAL FORUMS FOR EVANGELISTS

AFRICA

Prior to the New Life for All conference in Nigeria, Mike will be in Ethiopia. **From Sept. 4 – 9**, Mike and Dr. Arthur Magezi, a DMin. recipient from ETeamGlobal's Excellence in Training program, will teach the next session of the Ethiopia Evangelist Forum. Mike then flies to Nigeria, where he'll connect with Tim to teach the final sessions (**Sept. 11 – 15**) of the Sixth Evangelists for Nigeria Forum. The focus of both the Ethiopia and Nigeria sessions will be the "Evangelist as Apologist."

Tim and Mike will be joined in Nigeria by Austin Fruits and Matthew Tingblad. As evangelists with Josh McDowell Ministries, they are trained in reaching younger generations through apologetics. After the Nigeria session, 58 students will officially graduate from the Forum program with a ceremony in Jos.

EUROPE

Our next European Forums come this Fall. With Chris Kingston taking the lead, ETeamGlobal will again partner with the European Evangelist Coalition to teach Forum classes in Slovakia and Spain. These will be the third sessions for each of the European Forums. **We'll start in Slovakia on Oct. 30th** and be there until Nov. 5th. **From Nov. 6 through the 12th**, the team will be in Spain. For these Forums, the teaching focus will be the "evangelist as an equipper in the local church."

Our Forums in Africa and Europe represent an opportunity for you to partner with ETeamGlobal and invest in new generations of evangelists on both continents! In Africa, we are raising \$30,000 between now and the end of the year to support Forum and ministry efforts in Nigeria and Ethiopia. In Europe, \$20,000 is being sought by November 1st to fund Forum and ministries activities in southern and central Europe. And of course, we are forever grateful for your constant prayers for this ministry, for our teams as they travel and for the students who also travel to attend the Forums!

See the enclosed card for information on where you can support our ministry or go to www.eteamglobal.org/donate for more giving options.

EteamGlobal Gets Much Needed Space!

Earlier this summer, ETeamGlobal signed a lease for office space at the LinkCenter in Beaverton, Ore. This is an exciting and much needed next step for ETeamGlobal. In addition to the blessing of office space, ETeamGlobal will also have access to amenities such as conference rooms for team meetings and access to the LinkCenter's video and sound recording studios.

Chris & ETG's new office space. He & that banner sure got around this summer!

EXCELLENCE IN TRAINING

In addition to our Forums, ETeamGlobal also seeks to Identify, Train, Affirm and Mobilize evangelists around world through its Excellence in Training program. Since launching in 2014, Excellence in Training has offered 23 international evangelists the opportunity to earn advanced degrees in Global Evangelism through Multnomah University in Portland, Ore.

We are encouraged by the expanding opportunities for ETeamGlobal to continue its mission to identify and train evangelists in a range of different ways. For more than a year Tim Robnett has been a consultant and mentor to young evangelists participating in PULSE 100. We have also participated in training programs at Lodestar Mountain Inn via Steve Wingfield's ministry.

And now new opportunities are emerging as our training programs bear fruit! In January, video lectures recorded by Tim will be offered in a new DMin. program from Nations University, an online only higher education school. Conversations have also begun to explore potential roles for ETeamGlobal at Lucent University, an online school with ties to the Billy Graham Evangelical Association. Meanwhile, Reid Saunders, a graduate of the Global Evangelism program developed by ETeamGlobal at Multnomah University, has broken ground for a new evangelist training facility, the Acts Center, in Salem, Ore.

Please pray with us that we maximize these opportunities by preparing well and staying focused on delivering the teachings entrusted to us after 50 years of ministry. To do this well, we urgently need to develop and produce materials, curriculum, videos as well as write additional books! Please consider supporting this growing dimension of ETeamGlobal!

SAVE THE DATE! RSVP NOW!!
